

Issuance of Annual Benefit Statements

China Life MPF Master Trust Scheme (“the Scheme”) was got onboard the eMPF Platform on 29 July 2024. The eMPF Platform has started issuing from 22 March 2025 the annual benefit statements (“ABS”) for the Scheme. The ABS covers the financial period of the Schemes from 1 January 2024 to 31 December 2024.

The eMPF Platform adopts a standardized layout for the ABS which would be different from that of the ABS you received from the China Life Trustees Limited in the past. The ABS will be presented under two logos, namely that of the eMPF Platform and that of China Life Trustees Limited. In addition, the ABS for 2024 are prepared based on the data administered by China Life Trustees Limited before onboarding and the data administered by the eMPF Platform after onboarding. From 2025 onward, all ABS of the Scheme above will be prepared solely by the eMPF Platform.
